OUR MISSION

For those of you who are new to our community, each year Jesuit holds the Celebration Auction to raise money to support need-based financial aid for our deserving students. Historically, approximately 28% of our students receive some amount of financial assistance and the auction is the primary source of this support. This year the need for tuition assistance is greater than ever before.

In addition to raising money, the auction provides an opportunity for community building. It is a great way for us to come together in support of our school and to get to know one another as we work toward a common goal. Although the plans for physical gatherings have been put on hold for the near future, we hope you will consider getting involved however you can. To volunteer click here.
